

# COUNT ON ME

Three-Screen School Assembly    Grades K—5

**COUNT ON ME** is an engaging three-screen school assembly. The program will motivate your students to make responsible choices. Students will be challenged to stop making excuses or blaming others for their mistakes. Students will be encouraged to take responsibility for their actions, develop their social awareness, consider others and keep their promises.

The program focuses on helping students:

- ◆ Develop social awareness
- ◆ Positive social interactions
- ◆ Handling social conflicts.

Students will discover that those we count on follow-through on promises, demonstrate responsibility by doing their chores, getting their homework done on time, and being there for us.

Bullying, playing games, or just being social are a few of the distractions that your students will be tempted with along the way. Learning how to manage these pressures, their time, and developing responsible decision making skills can be challenging. But they can, with practice, develop and begin making the right choices and act responsibly when facing a difficult situation.

**COUNT ON ME** is an incredibly powerful motivational school assembly challenging your students to make positive choices for themselves while demonstrating respect for those around them.
