Study Guide

Pre-program discussion:

Question #1: What does "Time to Shine" mean to you?

Question #2: What can we do to "Shine" at home, with friends, at school?

Questions on screen during the presentation:

#1: Why would you choose to finish your school work before going outside to play?

#2: Why is it important for us to take the time to help others around us?

Post program discussion:

A: What are some goals we have for this school year?

B: What kind of things might distract you from achieving those goals?

C: What should we do to avoid those distraction?

D: What can you do to help others along the way?

You are going to feel better about yourself when you choose to shine. And when you feel good you are going to want to shine all the time. Listening to the teacher, being a good friend, and doing what is expected of you at home is a great way to shine and it makes life fun.

Activity:

Draw a picture or write about something you could do today to shine, at home, school or in your neighborhood.
