

Motivational Student Development Program Grades K—5

Streaming to the classroom when you want it!

Theme: Self-Leadership—Decision Making—Achieving Goals—Bully Prevention

TIME TO SHINE is an engaging motivational experience designed to help students learn that developing good communication skills, working with others, improving their coping skills and persevering through difficult situations will help them succeed academically now and in the future. The **TIME TO SHINE** presentation lays the foundation for developing leadership skills that will move your students toward a brighter and better tomorrow.

TIME TO SHINE will motivate students to:

- ◆ Take steps toward discovering and developing their talents and abilities.
- ◆ Be willing to learn what they can do to improve their lives.
- ◆ Encourage them to discern the right choices and work to end bullying.
- ◆ Challenge them to work together with others to succeed and achieve success.

TIME TO SHINE will present the benefits of:

- ◆ Being able to think critically, make positive choices and avoid making poor decisions.
- ◆ It covers topics such as time management, getting distracted, overcoming difficult circumstances.
- ◆ It will highlight the problems associated with bullying, teasing and talking negatively about others.
- ◆ Students will be motivated to listen more, understand others and be a positive influence in the lives of those around them.

TIME TO SHINE will help build leadership skills in your students so they may do better in group activities like group sports, clubs, and projects. Students will realize that developing leadership begins with the small things, picking out clothes, making their own breakfast, brushing their teeth and then moves them toward becoming responsible and determined learners and good citizens in the future.
