

Motivational & Engaging Interactive Assembly

For Grades K-5

Keep Rollin'!

Theme:
Motivation, Determination, Perseverance

KEEP ROLLIN'! is an engaging interactive elementary-school assembly program designed to get your students excited about learning. With student interviews, music, and fun, on-screen characters, **KEEP ROLLIN'!** will demonstrate the importance of doing your best even when it's hard, and will teach your students the value of commitment and perseverance.

KEEP ROLLIN'! will:

- demonstrate the importance of learning.
- discuss the necessity of persisting through failure.
- point out the obstacles that distract us from doing our best.
- encourage students to see the value in each other.

Camfel Productions' **KEEP ROLLIN'!** is an incredibly powerful assembly program that will help you create an atmosphere of learning and caring on your campus for the entire school year and beyond!
